The Weaver Is...

A unit-based home education curriculum for children from preschool through high school that teaches fundamental knowledge and learning skills within the larger context of the Scriptures.

Easy for parent/teachers to use because the curriculum is supported by daily lesson plan books, teaching tips and techniques, information on child development stages, learning benchmarks, and a variety of additional resources recommended for each level.

Written by experts with years of experience in home education.

Taught in conjunction with Bible-centered resources on topics such as history, science and social studies by well-known Christian authors and publishers.

A source for support, care and expertise in home education so that parent/teachers are free to concentrate on the real goal of home education: teaching.

The way to provide your children the individual attention they deserve as they learn and grow in a Christ-centered environment.
